Jenzi Slip-Through-Floats silver float slimline

We are for the preservation and expansion of Germany as a place of business and production. We present another float series that is: MADE IN GERMANY.

Going against the trend of float manufacturing in other nations, we build on:

- raw materials, as well as production in Germany
- consistency of quality
- buoyancy guarantee
- produced from ROHACELL

Floats made with quality and care – simply put: Made in Germany.
