

3Waters Big Fish Paddle Alloy 250cm

3 Waters Aluminum Paddle Big Fish

2-part aluminum construction with push button. Integrated measuring bar on the paddle blade.

Description The 3 Waters Big Fish Paddle is made of an aluminium alloy, which makes it extremely light and stiff at the same time. It has a measuring bar on the blade to make it easier to measure caught fish. The Big Fish Paddle can be split into 2 parts for easy transport.
