Trendex Squidmaster 1 Lure is a hard-lure with very soft tentacles and a fantastic swimming action. The lure is most effective when slow trolling and spinnfishing with medium speed. When at rest, the tentacle skirt goes into action. It's diving depth is approx. 1,50 – 2 m. The lure can be successfully used in fresh and saltwater. It's available in 18 cm and 4 different colors. Model: floating
