

Headbanger Shad Lure Ghost Shad 11cm

HEADBANGER

Headbanger

Product number: HE-SHAD11-GH

New jointed crankbait from Sweden that impresses with outstanding running characteristics.

0,00 €* 0,00 €

Perch, bass, pike, trout, zander and salmon. This lure does it all!

A simple straight retrieve gives an action that mimics the erratic and evasive movement of a spooked smaller bait fish. And adding a pause or two makes it irresistible to any nearby predator. Surprisingly small but still equipped with a strong wire-through-body, the versatile Headbanger Shad 11cm is a new must-have in every fisherman's tackle box!
