The Keitech Swing Impact is a proven Tournament winner.

These versatile swimbait comes in 5 sizes to match any fishing conditions. Keitech's original two-tone color injection process uses different types of salted plastics to achieve better balance and action.

The Swing Impact teamed with the Tungsten Super Round jig head and fished on the straight retrieve is our Pro-staff's 'go-to' bait. The Swing Impact arguably has the finest swimming action of any comparable swim bait in existence.
