

Owner Cultiva Hook Protection for Treble Hooks M purple 7pcs

Owner

Product number: OWN-81270-M

Optimal protection for your treble hooks.

0,43 €/Stück

2,99 €* 2,99 €

Owner's clever hook safety caps protect your triplets from external impact, keeping them sharp and barbed for a long while, as well as your fingers. The caps are available in 4 sizes to ensure they are the right size for each treble. Thanks to the patented Easy-Grip, they sit particularly well on the hook and thanks to the open design, water can flow away and air can circulate, so that rust and corrosion have no chance.

Which hook protection you need for which hook size? - Look over here:

- SS red - #12, #10, #8
- S green - #8, #6, #4
- M purple - #4, #2, #1
- L yellow - #1, #1/0, #2/0
