Hearty Rise Dark Soul spinning rod: versatility meets elegance

An all-rounder for discerning anglers

Discover the **Hearty Rise Dark Soul spinning rod**, a combination of sporty performance and elegant design. This all-rounder is perfect for various types of fishing and is an asset to any fishing equipment.

Technical sophistication for optimum bait presentation

Thanks to the meticulous development work of our engineers, every rod in this series is ideally designed for spin fishing with a wide variety of lures. The rods enable the skilful presentation of soft lures, twitchbaits and crayfish imitations on finesse rigs.

Strong performance and eye-catching design

The rods in the **Dark Soul series** are characterised by their powerful backbone, which effectively stands up to large pike and zander without being overly powerful. The exclusive and eye-catching design makes every rod a real eye-catcher.

Most important features:

- **Versatility:** Ideal for different types of fishing.
- **Technical sophistication:** Optimised for various artificial lures.
- **Powerful backbone:** Effective for large pike and zander.
- **Exclusive design:** Eye-catching and elegant appearance.

- **Various models:** Customisation to meet specific needs.
- **Quality components:** FUJI DPS reel seat and FUJI ALCONITE guide set.

The **Hearty Rise Dark Soul spinning rod** is the ideal choice for anglers who value quality, versatility and design. Whether you are fishing for perch, zander or pike, this rod will exceed your expectations.
