

Jonny Boats Retractable Fin Kit

Jonny Boats

Product number: JB-11RFK

A set of retractable fins / skegs to provide more stability for the motor boat

Weight: 0.38 kg

134,99 €* 134,99 €

Take control of the Bass 100's tracking and improve your paddling efficiency with a pair of retractable skegs. Perfect when you decide to paddle the boat vs using a motor but can also be used with Outboard. Installation required.
