## Discover the art of ned rig fishing with the Nays ND rubber lure.

The **Nays ND soft bait** is your essential companion for successful finesse fishing. Made from highly resilient, **buoyant TPE material**, this lure offers an enticing ribbed texture that creates the finest vibrations with every rod movement. Ideal for the **Ned Rig**, the lure stands vertically on the bottom of the water with the matching Ned Head to provoke bites even on difficult days.

### Features:

- Seductive shrimp aroma
- Highly elastic TPE material (without toxic softeners)
- Available in three sizes and six colours
- Pack sizes: ND 25 (8 pieces, 6.4 cm, 2.5 g), ND 30 (6 pieces, 7.6 cm, 4 g), ND 35 (4 pieces, 8.9 cm, 6.1 g)
- Unique storage instructions: To avoid deformation, bait should not be stored with other baits; storage in the original packaging is strongly recommended.

The **Ned rig technique** is a proven method for outwitting perch and zander in particular. The minimalist design of the rig, in combination with the Nays ND rubber bait, creates a natural presentation in the water that even the most cautious predators will find hard to resist. The buoyancy of the Nays ND ensures that the lure is perpendicular to the bottom of the water, enticing the fish to bite. The Ned Rig technique, paired with the Nays ND rubber lure, allows anglers to be successful even on difficult days and effectively target perch and zander in particular.

Fishing with the **Nays ND Ned Rig rubber lure** is more than just a technique - it is an art that requires both patience and precision. The quality and thoughtful design of the Nays ND rubber lure sets new standards in the world of finesse fishing. With each size and colour specifically designed to cover a wide range of water

conditions and target fish species, this lure will quickly become an essential part of your fishing kit. Discover the world of finesse fishing in a new way and let the Nays ND rubber lure do the work for you.
