Experience the Nays RPR Lure Topwater 9.5cm

The Nays RPR fishing plug is a remarkable stickbait that adds to the Nays hardbait collection. Ideal for the walk-the-dog technique, this surface lure boasts compact dimensions of 9.5cm and 9.1g for impressive casting distances. With its signature Nays design, including distinctive ribs and pro-tackle eyes, this plug offers added appeal to predators and adds turbulence to the water's surface.

Ideal for the walk-the-dog technique

The Nays RPR plug is more than just an artificial lure. As a surface plug, it is perfect for the walk-the-dog technique. Its distinctive ribs and pro-tackle eyes make this hardbait an essential tool for any angler targeting perch, pike or asp.

Convincing quality

As with all Nays products, only the best components have been used in the Nays RPR Lure. This surface bait is a high-quality stickbait that not only looks good but also delivers excellent catching results. Convince yourself of the quality and efficiency of the Nays RPR Topwater Lure and experience an incomparable fishing experience.
