Product number: OS-A2925SP

A further development of the classic Asura O.S.P. 925 SP

20,99 €* 20,99 €

The Original "ASURA O.S.P" was released in the spring of 2001 and has been produced every year. Then the life of mold has come to the end. There is a reason why the original "ASURA O.S.P" has never allowed other competitors to catch up and has been keeping its status for a long time. The "ASURA O.S.P II" has been reborn in 2019.
