## Discover the Rapala Super Shadow Rap Glide Wobbler

The Rapala Super Shadow Rap Glide Wobbler is the new favourite among pike anglers and is changing the rules of the game. With its fish-catching S-pattern, it not only attracts attention, but also impresses with innovative features that redefine the fishing experience.

### Unique Screw Diver system for customisation

The innovative [Screw Diver System](#) makes it possible to effortlessly adjust the swimming depth of the lure. By simply screwing and unscrewing the interchangeable Rapala Screw Driver SDS weight system, you can change the weight of the lure as required. This unique feature gives you maximum flexibility and control over your lure. Simply screw the SDS weight system to the designated fixtures on the belly.

### Versatile swimming action for different situations

The Super Shadow Rap Glide impresses with its natural swimming action, which attracts even the most demanding predators. When retrieved smoothly, it presents a slow S-shaped movement, while it seduces with short twists when twitched. This versatility makes it an unbeatable lure in a wide variety of fishing conditions.

### Spare tail for individual colour selection

A master of customisation, the Super Shadow Rap Glide comes with a spare tail. This gives you the opportunity to choose between lifelike and aggressive colours to maximise your chances of catching fish and adapt perfectly to the conditions.

## **Increased chances of catching thanks to swivelling hooks**

The swivelling hooks of the Super Shadow Rap Glide increase the chances of you landing your catch safely. These high-quality VMC treble hooks ensure reliable bite delivery and minimise the risk of missed bites.
