Designed to provoke an immediate reaction, the Strike King® Rage Swimmer looks great out of the water, and even better below the surface. Its sleek nose cone and softly ribbed body closely replicate the contours found in nature, and its thin, pancake-like tail pumps out frantic vibrations at any speed.

Extremely versatile, Strike King's Rage Swimmer softbait offers an enticing swim—whether pinned to a jig, nose-hooked on a dropshot rig, or trailed behind a spinnerbait.

- Paddle tail shad style lure
- Produced from high-grade plastic for increased action and durability
- Ribbed body design for added attraction
- Tail shape designed to maximise attraction
- Perfect for jig head presentation
