Behr Polarized Sunglasses Cat-Key Fisherman Eyewear

TRENDEX® SENSOSOL sunglasses feature top polarized technology which blocks glare and has UV-400 protection from all angles. For unmatched color, clarity and contrast. Each style features a waterproof coating and scratch resistant coating for top performance in fresh and saltwater.

These CE marked sunglasses meet the requirements of the directive 89/686/EWG in accordance with standard EN 1836:2005(A1:2007) of the EU. These are category 3 (82 - 92% light absorption, dark tinted) sunglasses, it means this eyewear are **allowed for driving**.

Care: Clean with lukewarm water and dry with a soft cloth (lens cleaning cloth). Keep sunglasses in an appropriate case for protection.
