Next to a rod, reel and line - a modern and good set of polarizing glasses is one of the most important utensils needed on the water. The glare and reflection of the water is reduced allowing for a view of the underwater world - the fish and the bait being presented.

A "Must-Have" for every modern angler on the water.

These CE marked sunglasses meet the requirements of the directive 89/686/EWG in accordance with standard EN 1836:2005(A1:2007) of the EU. These are category 3 (82 - 92% light absorption, dark tinted) sunglasses, it means this eyewear is allowed for driving.

Care: Clean with lukewarm water and dry with a soft cloth (lens cleaning cloth). Keep sunglasses in an appropriate case for protection.
