Adventure anglers head to the water even when the clouds threaten and the couch beckons. The NRS Champion Jacket is one half of our technical layering system that's purpose-built for quick adaptation to the conditions and protects against rain, splash and wind.

- Lightweight HyproTex™ 2.5 material is waterproof, breathable and easy to stow.
- Articulated design for comfort and mobility in and out of the boat, with or without a PFD.
- Full-zip, front entry for easy donning and quick ventilation.
- Adjustable hood offers adaptable protection.
- Punch-through, volcano-style neoprene wrist closures keep paddle drip out.
- Two self-draining, zippered pockets are designed to be accessed while wearing a PFD.
- Grip dots along the hem of the drawcord waist keep the jacket in place.
