Waterproof kayak boots specially designed for difficult terrain.

118,99 €* 118,99 €

Purpose-built for mucky put-ins and soggy portages, the NRS Boundary Boots deliver knee-high waterproofness with a super grippy, rugged sole to handle the harsh terrain favored by adventure canoeists and anglers.

- 5 mm neoprene upper with taped interior seams guarantees warmth and dry feet
- Comfy 7 mm neoprene insole atop a high-traction wrap-up sole provides maximum protection and support
- 2 mm plastic shim for even more protection from sharp, pointy objects
- Tightening the ladder buckle strap at the top can help restrict water entry if you step in a bit too deep
- Quick-lace boot with cord-lock offers a customizable fit and a storage compartment lets you tuck away excess laces
- Each shoe is factory tested to ensure waterproof performance
