

NRS Freestyle Wetshoe Neoprene Black

NRS

Product number: NRS-FWS

Very flexible and comfortable Neoprene Wetshoe.

64,95 €* 64,95 €

A playboater's go-to bootie, the lightweight NRS Freestyle Wetshoe is crazy flexible, perfect for fitting into tight boats. Plus, a naturally shaped toe box and high-rise design provide additional comfort and protection for all-day boating.

- A sustainable alternative to traditional neoprene, petroleum-free Terraprene neoprene is made from limestone and recycled tires
- Constructed with 3 mm thick neoprene upper for maximum warmth with a 3 mm neoprene insole for added comfort
- Stretchy rubber support bands improve lateral stability while a 1.5 mm textured rubber outsole provides protection and optimal grip
- Cush graphene-infused interior provides thermal-conductive properties for more warmth while also reducing water retention
- The HydroCuff hugs the ankle tight to prevent excess water from dripping in
- Reinforced at the toe and heel for long-lasting durability
- Features an ankle pull tab to help slip the bootie on and off
- Weight: 454 g
- Gender Sizing: Man
- Material Upper: 3 mm neoprene
- Sole: 1.5 mm rubber
- Insole: 3 mm neoprene
- Closure System: HydroCuff
- Taped Seams: No
- Category: Water Shoes
- Features: Naturally shaped toe box
