

NRS Storm Boots Black

NRS

Product number: NRS-STB

Wetshoe for extra support and protection.

159,99 €* 159,99 €

Rugged, wet environments require traction and protection unique from your basic wetshoe or bootie. The NRS Storm Boot is purpose-built for enhanced breathability and quick-drying performance, with a perforated insole to drain excess moisture and a rubber sole for sticky traction.

- Constructed with technical, high abrasion-resistant polyurethane and synthetic rubber overlays.
- Heavy-duty non-marking HyperGrip lugged rubber sole for unmatched traction in varied terrain.
- Fast drying mesh upper and a 5 mm perforated insole for maximum breathability and quick draining.
- YKK AquaGuard ankle zipper and a gusseted tongue keep dirt, rocks and debris out.
- Laces offer adjustable fit and stability.
- Features a swim fin tab on the heel.
- Gender Sizing: Unisex
- Material Upper: Polyester mesh, polyurethane and synthetic rubber
- Sole: Lugged HyperGrip™
- Marking Sole: No
- Insole: Perforated 5 mm
- Closure System: Lace and ankle zipper
- Taped Seams: No
- Category: Water Shoes
- Features: Swim fin tab on back of heel
Gusseted tongue
