Efficiency and protection - The Hearty Rise fishing bag

Clear visibility - direct access to fishing supplies

The **Hearty Rise fishing bag** is characterised by its clear PVC top, which allows you to grasp the contents without delay. So you don't lose any time when it counts and have the tools you need right at your fingertips.

Water-resistant storage - protection from the elements

Equipped with first-class, water-resistant PVC, the **water-resistant fishing bag** protects your equipment from moisture and rain. With this bag, you can brave the weather and enjoy your passion for fishing to the full.

Designed for the Bakkan - a seamless unit

The **Hearty Rise Safe Bag** is designed as the ideal complement to your Bakkan system and fits perfectly into it. This makes organising and transporting your equipment an effortless pleasure.

Uncomplicated storage - one large compartment for everything

Thanks to a spacious inner compartment, the **storage bag** offers enough space for all your fishing accessories. With no dividers, you can enjoy maximum flexibility when stowing your tackle.

Robust and reliable - built to last

The durable PVC material, reinforced by solid zips and carrying handles, makes the **Hearty Rise fishing bag** a reliable companion for countless fishing adventures.
