

Petzl Tikka 300 Lumens Headlamp Helmet Lamp

Petzl

Product number: PTL-TIKKA

Compact headlamp for proximity lighting and some movement.

0,00 €* 0,00 €

Simple and compact, the TIKKA headlamp offers 300 lumen brightness and a flood beam for proximity lighting and some movement. It is useful for outdoor activities such as camping, hiking or when traveling. The phosphorescent reflector helps you find it in the dark, and the red lighting prevents members of a group from blinding each other. TIKKA comes with 3 standard batteries and is also compatible with the CORE rechargeable battery, thanks to the HYBRID CONCEPT design. Mounting accessories allow the lamp to be attached to any kind of helmet, or to a bicycle.

Description

- Compact and lightweight: only 82 g
- Simple to use and practical:
 - three white lighting levels: proximity, movement and distance
 - red lighting preserves night vision and prevents members of a group from blinding each other
 - single button for quick and easy selection of brightness or light color
 - HYBRID CONCEPT design: TIKKA comes with three standard batteries and is also compatible with the CORE rechargeable battery
 - phosphorescent reflector is useful for locating the lamp in the dark
 - detachable, washable headband
- Compatible with mounting accessories that allow the lamp to be attached to any kind of helmet, or to a bicycle.
