Weight: 6.5 kg

219,99 €* 219,99 €

- Legendary Fox shelter is back with several design improvements
- Perfect lightweight and compact short session shelter
- High quality, fibreglass frame construction
- Compact folding frame design to reduce overall packaged length
- Angled 'elbow joints' create increased internal space and also increase tension in rear panel for a self-standing design
- Guide ropes for additional support in extreme conditions
- Hard-wearing polyester fabric (2000mm hydrostatic head rating)
- Glass filled Nylon moulded blocks
- Supplied with full zip-in mozzie mesh front panel, pegs, lightweight groundsheet and 2x storm poles
- Height and width fully adjustable to suit the conditions you are faced with
- Set-up dimensions: 300cm wide x 165cm deep x 125cm maximum high
- Packed dimensions: 106cm wide x 17cm diameter
- Weighs just 6.5kg including groundsheet, storm poles, mozzie mesh front and pegs
