

Fox Edges Crimp Pliers

Fox

Product number: FX-ECZ

High quality fishing plier from fox.

11,99 €* 11,99 €

The Edges Crimp Pliers have been designed to work specifically with Edges Crimps to create a flared crimp allowing the loop to flow naturally out of the crimp. The pliers are tapered to create the perfect flare for each crimp size whilst ensuring a consistent and strong fixing. They also feature cutting edges and gripping jaws making them useful in many aspects of rig making.
