

Rapala RCD Mag Spring Split Ring Pliers

Rapala

Product number: RA0119005

~~37,90 €~~

25,19 €* 25,19 €

Built with two internally opposing magnets to hold the pliers open, the patented Mag Spring mechanism cannot fail, unlike conventional plier springs. The split ring nose opens rings to size 0 while the built in cutter cuts all lines or tag ends. Features stainless steel jaws and co-molded grips.

Only 18 cm pliers come with a molded plastic sheath.
