Seat cover from Daiwa

Weight: 0.46 kg

21,99 €* 21,99 €

Seat Cover

With this small but mighty accessory you can keep your car seat dry and clean. Especially on seatrout fishing the frequent change of the fishing spot is quite common. With the DAIWA Seat Protector you don't have to take off your chest waders for short moves. The Car Seat Protector is easily fastened at the back of the head section and can be upended to the front as needed. Material: 100% nylon
