

Gunki Carolina Stopper L black

Jenzi

Product number: GU-CSTP

Versatile stopper.

Weight: 0.002 kg

1,95 €* 1,95 €

This "stopper" holds very well on the line and does not slip as easily as conventional line stoppers. Placed between the hook and the Texas bullet, you can quickly switch from the Texas to the Carolina technique by carefully moving the stopper (moisten the line a little) to give the lure more play if necessary.
