

Stormsure Boot, Shoe and Wader Repair Kit

Behr

Angelsport

Product number: 9513170

Weight: 0.023 kg

9,99 €* 9,99 €

A low cost repair kit which will fix leaks in Wellington boots and waders and repair worn soles, split stitching and damage in both soles and uppers of footwear made from all materials.

This kit contains a tube of Stormsure Flexible Repair Adhesive and 2 x 75mm circular self adhesive patches. The patches are a new material which is stretchy and highly conformable and very tough.

Use patches on waders and flat surfaces of boots for instant repairs. For awkward splits and holes and over seams and stitching use the Stormsure Adhesive. This will for a permanent repair on all sorts of damage, and does not need a patch, even when covering a hole.
