

iCapiro Softbait Sticks Attractant green

iCapiro

Product number: IC-SBS-GR

For mounting the iCapiro Caps into the softbait.

3,49 €* 3,49 €

You usually only fish with softbaits and don't want to mount a CapCell in front of the lure, but still use the iCapiro caps when fishing? Then the iCapiro sticks will help you. Pimp your rubber and give it an extra scent! When using a rubber: better with than without!

Contains folding carton with:

- 2 x iCapiro Stick in green color
- To make a hole in the rubber fish, to allow a snug fit of the iCapiro Active Lure Capsules
- Gives the softbait a real fishy smell (if an iCapiro cap is used before fishing)
