

Daiwa Prorex Swivel

Daiwa

Product number: DW-15408-W

0,00 €* 0,00 €

The Prorex swivels with snaps are made out of extra thick and strong „Stainless Steel“ and feature an extraordinary high linear strength. These snaps don't bend up even under highest strains and offer optimal safety.

Due to the dull black surface reflections and thus frightening of fish under water is reduced.

Available in 4 sizes.
