

Fox Edges Link Crimpable Illusion Leader Fluorocarbon 20m

Fox

Product number: FX-ELCF

Edges Link hooklengths have been designed to work specifically with Edges Crimps to create perfect, neat and tidy crimped rigs.

11,99 € * 11,99 €

Ideal for creating stiff links on rigs such as The Hinge Rig, Ronnie/Spinner Rig and various Combi Rigs. The two different diameters/breaking strains are sized to compliment the corresponding size Edges Crimps i.e 25lb Link fits the small crimps and 35lb Link fits the medium. This creates the strongest possible fixing, eliminates inconsistent knots and ensures exact length rigs are easily achievable.

- Monofilament hooklink material
