Jenzi

Product number: JE-CSBM

Casting Shields for surf leaders

3,70 €\* 3,70 €

Now you can easily build your own long-casting rigs with the Jenzi Dega long-casting shields. These hook holders are indispensable for building long-casting rigs. They allow you to attach and remove hooks securely and quickly. This means you can keep building new mounts and experimenting. The Dega casting shields are made of high-quality plastic and impress with their robustness and durability.
