Jenzi split rings: High-quality connecting elements in matt black

The Jenzi split rings in matt black are the perfect choice for all anglers looking for reliability and strength. These high-quality fasteners have been specially developed for the construction of leaders and offer outstanding stability to withstand even the most demanding fishing conditions.

Features:

- **Stability and reliability:** the split rings are made from high quality steel, giving them exceptional stability and ensuring they can withstand the most powerful fish.
- **Matt black finish:** The matt black coating not only gives the split rings an attractive appearance, but also provides an additional layer of protection against corrosion, which increases their longevity and performance.
- **Practical packaging:** Each pack contains 15 split rings and comes in a handy, resealable tin. This not only makes them easy to transport, but also easy to store and organise.

Available in different sizes:

- 3,0mm 10kg
- 3,6mm 12kg
- 4,5mm 26kg
- 5,5mm 36kg

Whether you're an experienced professional angler or just starting out, Jenzi split rings offer you the quality and performance you need to make your fishing adventures successful. Get ready to increase your chances of
