

Jenzi No Knot Connector

Jenzi

Product number: 8449-X 2,40 €* 2,40 €

Jenzi No Knot Connector Phenomenal! Now, the lure with the mainline be connected without knots. Knots is the weakest link in the fish-man. No more of that. "Knotless" you really replaced the knot! The installation is very simple:

- Bait or swivels points on the upper hook
- Mainline hang in a loop on the hook
- four to five times wrapped around the axle done!

"Knotless" can be applied to both monofilament and braided lines. Often reduced at braided cords carrying capacity of the cord by up to 50%. With "Knotless" remains the 100% capacity!
