

13 Fishing Concept Z SLD Slide Casting Reel

13 Fishing

Product number: F13-CZSLD-B21

Our recommendation for this reel are baits from 2 to 20g

319,00 €* 319,00 €

See what all the buzz is about! The original Concept Z rocked the industry with its ground breaking CZB technology. Pushing the edge of design, engineering, and materials forward is what the Z is all about. The NEW Gen II Concept Z SLD doesn't disappoint, it starts with the new SLIDE magnetic cast control system located in the perfect place for anglers to adjust without missing a single cast. Control casting downwind and then upwind on alternating casts with a flick of the thumb. Pitch, flip, or just let it fly by combining or isolating the Low-Friction Centrifugal braking with the magnetic SLIDE braking. Zero Corrosion CZB Bearings and an Advanced Polymer drag system are placed within the new rock-solid Cast Iron Carbon frame and side plates. This design sets the new bar for material innovation.
