**Discover the ultimate in precision with the Fox Rage TR spinning reel - your new dimension in fishing**

## **The leading edge of Fox Rage engineering: TR Series**

The **Fox Rage TR Series** represents the ultimate in spinning reel development and is a true masterpiece of fishing engineering. Available in two sizes, **1500 and 2500**, this series offers an unrivalled combination of power, precision and design that makes it the first choice for ambitious anglers.

## **Unrivalled quality and performance**

The TR spinning reel, Fox Rage's flagship fixed spool reel, combines high quality components and advanced technologies:

- **10+1 ball bearings:** experience super-smooth rotation and excellent line control for accurate casting and effortless retrieving.
- **High-quality materials:** With a super-strong magnesium body, a carbon fibre-reinforced rotor and a CNC aluminium drive gear, this reel sets new standards in terms of robustness and reliability.
- **Lightweight and ergonomic:** A carbon bearing cover reduces the weight, while the stylish cork/EVA handle offers an excellent grip even in wet conditions.

## **Impressive design**

Not only functional, but also visually impressive, the TR spinning reel presents itself with a modern styling

that will enhance any angler's equipment. The flat profile and slim bail arm emphasise the aesthetic design without compromising on performance.

## **The right choice for every angler**

Whether you prefer the lightness of the 1500 version with a gear ratio of **6.2:1** or the power of the 2500 version with a gear ratio of **5.1:1** - the TR series offers the right reel for every style and every situation.

## **Technical details that make the difference**

- **Grippy spool band:** Secures your braided line without slipping.
- **Front drag & anti-reverse:** For precise control in critical moments.
- **Spare spools:** Available for customisation and longer sessions.

The Fox Rage TR Spinning Reel is more than just a fishing reel; it's a promise of quality, performance and style. Take the next step in your fishing career and see how this reel not only meets your expectations, but exceeds them.
