

# Hearty Rise Baitcasting rod Valley Hunter 712XH 2,17m 10-80g

Hearty Rise

Product number: VHC-712XH

Premium rod series for perch and zander fishing in a beautiful grey finish.

Weight: 0.15 kg  
349,00 €\* 349,00 €

The Valley Hunter series is a beautiful and very fast rod series that contains spinning, baitcasting and even travel rods. It is particularly suitable for light jigging but also for drop-shot fishing. The asymmetrical division corresponds to the new Japanese trend and leads to a great action. The models can be charged more than specified.

An ideal rod for fishing for perch and zander.

The components are top! Fuji SIC guides and reel seats, the blanks use the new NET-V III technology.
