Hearty Rise

Product number: HR-DIV-SP

Light and extra fast, that's the new top rod series Divinity!

from 369,00 €* 369,00 €

This series impresses with its elegant appearance. Originally intended for light spinning in the sea, this series is also increasingly used in freshwater.

HY DV S 01

This model is a long finesse rod. Ideal for street fishing or from a boat.

HY DV S 02

This ultra-sensitive model is an all-round rod. It is perfect for the use of small rubber fish and creaturebaits.

HY DV S 03

The perfect rubber fish model.

HY DV S 04

Versatility par excellence! Ideal for rubber baits or hardbaits.

HY DV S 05

This ultra-sensitive model is an all-round rod. It is perfect for the use of small rubber fish and creaturebaits.

HY DV S 06

A powerful rod for getting fish out of obstacles, rocks or wrecks.

HY DV S 07

With metal or rubber lures, this rod is an asset when fishing for pollock at great depths.

HY DV S 08

A powerful model to stand up to large marine predators.

HY DV S 09

A special wreck or deep sea version.

HY DV S 10

The star of inshore lure fishing. Their long casting ability and resonance make them versatile for fishing with hardbaits and rubber fish.

HY DV S 11

The stronger version of the coastal model. Perfect on sea bass.

HY DV S 12

The longest model in the range. It is perfect for using large lures from the shore or from overhanging cliffs or other rocks.
