

Illex Ashura Spinning rod Element Rider X5

Illex

Product number: IL-ELRIX5

Premium spinning rod with innovative X5 carbon blank for even more performance at even less weight.

0,00 €* 0,00 €

The **Element Rider** series from Illex comprises fishing rods, that are particularly made for hunting bigger predators.

Caused by the new highly reactive but yet sensitive X5 carbon blank, lures such as jigs and hard and soft baits are literally catapulted to unforeseen ranges, while the rods' incredible power reserves embarrass even sustained predators from escaping.
