This surf-rod was developed by the current DEGA world champion. Along with a modern attractive look, high quality components such as large long-cast line guides, this rod features an illuminated tip. This improves bite detection by night. The rod was constructed in a way that makes long casts possible with minimal effort. The sensitive tip allows for immediate bite detection.

Features:

- Thinner carbon-blank
- High quality reel-holder
- Illuminated tip (for improved bite detection at night)
- Long-cast guide lines
- Attractive modern design

Highlight: Illuminated Tip – the end of the rod is equipped with an illuminated tip reaching back to the third line guide. This means that the tip glows in the dark enabling a better view for bite detection.
