This 2-piece rod is equally suitable for shore and boat. The Night Shadows S 2202 H Deep Raider is just as suitable for soft lures as our Dexter Shad in 175 or 200 size, as well as for large swimbaits (Gantarel, Dark). In any case, the rod has enough power to defeat not only big pikes but also a catfish. Built with top quality components from FUJI: guides Alconite K anti-tangle and IPSM / KDPS reel seat. With bait keeper. Delivery in the embroidered case.
