Lars Hansen fishing rod seatrout

Handmade - Noble Design - Thin Carbon-Blank Stiff Spine for long and well-placed casts. The technological know how and the craftsmanship of the rod builder come to the forefront especially in the case of this sea trout rod: Thinner blank, only 210 g weight for tireless angling, balanced out lightness, 2-Handed grip – for long casts! Add to this a powerful backbone for distant and accurate casts. The sensitive tip absorbs the sudden attempts of the fleeing fish. The long and comfortable EVA handle provides for a secure hold and an optimal casting leverage, in that long casts are so decisive when angling for sea trout. Noble design with a thin Carbon-Blank and silver colored binding rounding off the masterful equipment - and all of this at a palatable price.
