

Okuma Carbonite Tele Spin Telescopic Rod

okuma Okuma

Product number: OKU-CTS

Telescopic Rod for fast action.

from 44,99 €* 44,99 €

The Okuma Carbonite Tele Spin is a high quality and powerful telescopic rod suitable for all fishing needs. The rod is made from a carbon construction, making it very robust and durable. The strong graphite and aluminium reel seat ensures optimum feel when fishing, while the comfortable leather webbing on the handle ensures optimum comfort. The aluminium screw cap ensures the rod lasts a long time, while the two-legged SIC guides with rubber shock absorbers provide a smooth fishing experience.

- carbon construction
- Strong graphite and Alu reel seat
- Leather cloth comfortable handle design
- Aluminium screw butt cap
- Double legged SIC guides with rubber shock absorbers
