Rapala Shadow Blade Spinning Rod - Versatility Meets Premium Performance

The Rapala Shadow Blade spinning rod sets new standards for discerning anglers looking for performance, flexibility and style. Not only does it have an elegant look, but it also offers a premium feel that guarantees an exceptional fishing experience.

The Shadow Blade spinning rod from Rapala is the result of rigorous testing and features a slim, high modulus carbon blank. This offers a fast, balanced action and a light feel, making it the ideal choice for anglers who want to master multiple techniques with just one rod.

The spinning rod is equipped with Fuji 'O' Concept rings that allow reliable casting without tangles. The aluminium spigot also ensures that every last vibration is transmitted right to your wrist, allowing you to react to the fish's every move.

With its combination of aesthetics and functionality, the Shadow Blade spinning rod offers a premium look and feel at a budget that will appeal to any angler.

Features:

- High Modulus Carbon Blank
- Modern Fast Action
- Fuji 'O' Concept guides
- Fuji VSS reel seat
- Aluminium spigot for optimal vibration transmission

- 4-axis carbon foregrip

The Shadow Blade spinning rod from Rapala is available in different versions to suit different needs. Whether you're fishing for perch, zander or pike, you're sure to find the right model to suit your needs.

Choose from a variety of sizes and weights, including 1.82m with a weight range of 3.5-14g up to 3.04m and a weight range of 14-42g.

Put your fishing talent to the test with the Rapala Shadow Blade spinning rod and experience a new level of precision and performance. Because a good rod is more than just a tool - it's an expression of your passion and commitment to fishing.
