Fulfil your fishing dreams with the Zeck All Black Spinning Rod, a masterfully crafted fishing tackle that adds versatility and precision to your fishing adventures. Whether you're an avid angler or a beginner, the Zeck All Black Spinning Rod offers a range of models designed specifically for different fishing requirements.

The **2.13m 5-20g All Black Spinning Rod** is a true all-rounder, perfect for a variety of uses. Its handy size and short transport length make it the ideal choice for the urban angler who appreciates mobility. It is particularly suitable for jigging for perch, but also for spin fishing for chub and trout.

For a more intense fishing challenge, the **2.40m 10-40g All Black spinning rod** is an excellent companion. It's perfect for jigging for zander and big perch and also performs strongly when fishing with plugs, spinners and spoons.

When it comes to pike, the **2.40m 30-80g All Black spinning rod** is your reliable partner. It is ideal for reeling in big lures and showing its strength when jigging or using large twitch and small jerkbaits.

For versatile fishing, the **2.70m 15-50g All Black Spinning Rod** offers impressive casting distance and can be used in a variety of ways - with plugs, topwater lures or metal baits. It is a great choice if you are looking for a spinning rod that can cover all fish species.

The **2.70m 30-80g All Black spinning rod** will take your bank fishing to a new level. It is a powerful pike rod with a tough, robust design and is great for jigging in big streams for zander.

Each Zeck All Black spinning rod is made from high quality carbon fibre and offers lightness and strength in a compact two-piece shape. With comfortable EVA handle material and a Fuji removable hook holder, these rods offer exceptional comfort and ease of use.
