## Discover the precision of fishing: Hearty Rise Rock Master Baitcast rod 632UL

The **Hearty Rise Rock Master baitcasting rod 632UL** is a masterpiece of fishing technique, designed for ultra-light fishing. Its compact length of 1.92 m and casting weight of 0.5 - 7 gr make it the perfect tool for trout fishing as well as boat and bank fishing.

### Versatile applications for every fishing enthusiast

The versatility of the **Hearty Rise Rock Master baitcasting rod 632UL** makes it a favourite among fishing enthusiasts. Whether you are looking for perch in shallow water or trout in deeper waters, this rod offers the necessary flexibility and precision. Its light weight and high sensitivity make it ideal for sensitive fishing, while at the same time it has enough power to land larger fish safely. The rod is ideal for a variety of fishing techniques, from finesse approaches to more aggressive methods, and adapts effortlessly to different environments and target species. Experience a new level of adaptability and accuracy in ultra-light fishing with the Rock Master baitcasting rod.

### High-end equipment for maximum success

- **Material & construction:** Made from high-quality NET-V III carbon blank, this rod guarantees exceptional casting distances and sensitivity. It is optimised for the fast head strikes of predatory fish such as perch and trout.
- **Guides & reel seat:** Equipped with a first-class Fuji SiC S KR guide set and a sturdy Fuji reel seat,

the rod offers outstanding transmission and control.

- **Design & comfort::** The elegant design with gold and silver-coloured applications and the ergonomically shaped EVA handle combine aesthetics with functionality.

## Your companion for demanding, ultra-light fishing

Whether for active jigging or skilful twitching, the **Hearty Rise Rock Master baitcasting rod 632UL** enables precise lure control and unrivalled transmission of the finest bites. Enjoy a pleasant, effective and stylish fishing experience with this top rod.
