Hearty Rise

Product number: HR-LAI

High end trout rod for ultra light baits like micro spoons

239,00 €* 239,00 €

The new Ultralight rod series Laiquendi impresses with its optics and the excellent price / performance ratio. The rod series is especially ideal for small spoons and wobblers, as well as spinners and small baits. With this new series we met the request for an "affordable" high end trout rod. With a casting weight of up to 3g, it is specially designed for ultra light baits such as micro spoons. The rod is extremely fast for the casting weight. Endless fun.
