Zeck Pelagic baitcasting rod: The professional rod for pelagic and vertical fishing

The expert choice for pelagic predator fishing

Discover the **Zeck Pelagic Baitcast rod 1.90m 90g**, a customised fishing rod for pelagic and vertical fishing. Perfect for pike and zander, it offers an ideal balance of sensitivity and power.

- **Material:** State-of-the-art carbon fibre for maximum stability and sensitivity.
- **Guides:** 7+1 SIC guides, optimised for long and precise casts.
- **Reel seat:** Premium Fuji ACSM/#16, robust and reliable for various reel sizes.
- **Length and casting weight:** 1.90m length, ideal for lures from 40 to 90g, perfectly balanced for long fishing without fatigue.
- **Action:** Specially tuned for pelagic and vertical fishing, offers excellent sensitivity on bites and powerful feedback during the fight.

Whether you are an experienced angler or looking to expand your pelagic and vertical fishing skills, the *Zeck Pelagic Baitcast rod 1.90m 90g* is your first choice. Experience the fun of drilling with a rod that is not only powerful but also visually eye-catching.
