Discover the Zeck Troy travel rod - your reliable companion for catching big dreams

Versatility meets quality: the Zeck Troy travel rod

Developed for modern angling, the **Zeck Troy travel rod** combines precision and robustness. Every element, from the high-modulus carbon fibre blank to the durable SIC guides, is carefully selected to give you an unrivalled fishing experience. As part of the renowned Zeck Fishing collection, this rod offers a perfect combination of strength and flexibility for fishing for zander and pike.

Features of the Zeck Troy travelling rod:

- **Length:** 270 cm, ideal for long casts
- **Transport length:** Only 59 cm, fits in any rucksack
- **Casting weight:** For 15-50 and 30-80 g, covers a wide range
- **High-modulus carbon fibre:** For maximum sensitivity and power transmission
- **Innovative SIC guiding:** Optimises line guidance for further casts
- **Ergonomic Fuji TVS #16 reel seat:** For maximum comfort and control
- **Seawater-resistant:** Also suitable for saltwater fishing

Perfect for travelling: The travel rod that leaves nothing to be desired

With its compact transport length and high-quality hard case, the *Zeck Troy travel rod* is the ideal companion for holidays and spontaneous fishing trips. Its slim design not only makes it a visual highlight,

but also a testimony to true engineering skill.

Your advantage with Zeck Troy:

- **Versatile in use:** Ideal for spin fishing, bottom fishing and float fishing
- **Travelling comfort:** Light and easy to transport
- **Robustness:** Resistant to the elements

Travelling without compromise: Your fishing rod for every location

Thanks to its clever design, the *Zeck Troy* is the ideal travelling rod for anglers who don't want to compromise on quality and functionality. The rod is easy to transport and quick to assemble, so you are always ready when the opportunity for the catch of a lifetime presents itself.
