

Strike King Stand Up Comeback Jig 21,3g

Strike King

Product number: SK-CBJ213

Perfect for critter style trailer lure presentation

Weight: 0.0213 kg

4,99 €* 4,99 €

The Comeback Jig is a cross between a football jig and a stand-up jig, with a wide body and a flat base, tied with an extra-long round-rubber skirt. On a hard bottom, the Comeback Jig stands at an angle, skirt strands waving wildly around like a crawfish aggressively defending a nest. Superbly engineered from head to skirt, and fitted with a 5/0 Mustad® Needle Point hook.
