6,99 €* 6,99 €

The Strike King® Tour Grade Skipping Jig turns up the heat at your favorite fishing spot. This performance skipping jig is built around a unique flat-sided head shape designed to glance lightly off the surface, for smooth, controlled skipping into the tight spaces that hold monsters.

Perfect for fishing overhangs, docks, and other hard-to-reach spots, the Strike King® Tour Grade Skipping Jig elevates your ability and potential to catch more fish.

- Designed to skip lures under foliage and into tight spots
- Customized flat-sided head for smoother skipping
- Perfect for fishing overhangs and other tight spots
- Features Gamakatsu hooks
- High-quality silicone skirt
